

There was a hole in the middle of the ground,
The prettiest hole that you ever did see.

And in that hole there was a root...
The prettiest root that you ever did see.

And on this root there was a tree...
The prettiest tree that you ever did see.

And on this tree there was a branch...
The prettiest branch that you ever did see.

And on this branch there was a twig...
The prettiest twig that you ever did see.

And on this twig there was a nest...
The prettiest nest that you ever did see.

And in this nest there was an egg...
The prettiest egg that you ever did see.

And in this egg there was a bird...
The prettiest bird that you ever did see.

And on this bird there was a wing...
The prettiest wing that you ever did see

And on this wing there was a feather...
The prettiest feather that you ever did see

And the green grass grew all around, and around,
And the green grass grew all around and around
