

Name: _____ Number: _____

Visualizing is when you create pictures in our minds as you are reading or listening to a story or text.

Prediction is when you guess what might happen in or next the story, but based on what you already know and what clues you see or hear.

The book title is _____

Draw a picture of what you think the story
will be about

Draw a picture of what you visualized in the
beginning of the story

Draw a picture of what you visualized in the
middle of the story

Draw a picture of what you visualized in the
end of the story
